The Potentate's Message
David "Ricky" Hortman

Nobles and Ladies,

Lady Robin and I have just returned from the 2019 Imperial Session of Shriners International held in Nashville, TN. It was a long ride but worth the trip. In addition to participating in the formal meetings, there were many events offered for us to interact with Nobles and Ladies from around the world. I would like to say a special thank you to the Hasan attendees; Chief Rabban Doug Head and Lady Emily, Recorder/P.P. Wesley Pantone and Lady Jackie, P.P. Tony Morris, P.P. Gene McDowell and Lady Liz, P.P. G. David Powell and Lady Margie, Chief Personal Aide Tom Wright, and Noble Wayne Johnson and Lady Jean.

Some of our ladies attended the Imperial Ladies Luncheon honoring 2019 First Lady Patsy Cain. While the food was delicious, the ladies all agreed that the entertainment this year was memorable. Alec, a Shriner Hospital spokesperson, served as the emcee for "Shriner Kids Got Talent". Five former Shriner patients performed either by playing the piano, the cello, the guitar and/or singing. Robin told me that by the time the last patient (who is now a Noble) sang "You Raise Me Up" there wasn't a dry eye in the audience. Shriners change lives!

One of the sessions that Robin and I always enjoy attending is the Public Relations Report and Patient Success Story. During this session, the Imperial Potentate provides a summary of the past year's marketing campaigns as well as informs the audience of upcoming media changes. The new patient ambassadors are also introduced along with their story. This upcoming year, Madelyn and Cristian, will serve as our new ambassadors. If you have an opportunity, I encourage you to watch their stories through "This is My Moment" at shrinershospitalsforchildren.org or on Youtube.com/Shrinershospitals. After you watch, share on your facebook pages. It is a great way to share how Shriners help children and their families.

We attended the Imperial Pageant where the 2019-2020 Imperial Potentate Jeffrey L. Sowder and First Lady Cheryl were introduced. Imperial Sir Jeff Sowder talked about his new campaign, "Just One". I will send out additional information through separate correspondence; however, his overarching message is that if each current Shriner commits to referring just one new member, the fraternity will resume growth. First Lady Cheryl Sowder Lady's Program is "Heroes Among Us". Her Program will benefit the patients and their families teaching them how to be patient ambassadors. Bow ties, neck ties, beads, and necklaces are available for purchase to benefit her program. Further information regarding her Program can be found at lovetotherescue.org/first-lady-program.

I know this was lengthy but, I wanted to share our trip with you. For your information, the 2020 Imperial Session will be in Kansas City, MO and the 2021 Session will be in Houston, TX. I hope you can make plans to attend.

Fraternity yours,

David R. Hortman

POTENTATE 2019

Greetings Nobles!

I am pleased to report as one of your elected representatives, that we had a very productive trip to the Imperial Session in Nashville, TN. Our new Imperial Potentate, Imperial Sir Jeff Sowder has hit the ground running and has developed some wonderful plans for our wonderful fraternity. In particular, I wanted to pass along to you his initiative on membership.

The program is entitled, JUST ONE. It calls upon all Shriner Masons to find just one new member before the end of June 2020. This is a challenge that we can all meet. I've heard all of the excuses: my friends are all too old, I don't know anyone, everyone I know who wants to be a Shriner already is one, etc. But, these are just excuses. You're just not taking the time to give it the thought that it deserves. I challenge you to look at the people in you life differently when you see the gentlemen who collect the tithes at your church, or greet you at the door, the men who work with you, your nephew's, son's, grandson's, son-in-law's, neighbors, the men who go to your lodge, or the people involved in your outside activities. These are all potential Shriner Masons. We each have people with which we come in contact, with that could be a benefit to our organization.

It is important for each of you to understand that if ALL OF US do not focus on membership, then this will become a forgotten fraternal family. We need your help to keep the fraternal bonds alive and well. You can no longer say that finding new members is someone else's responsibility, and that you've done your part. This is your shrine temple and it needs you now, more than ever. Make the effort and find that person so that they too can enjoy the fraternal bonds we have loved for so long.

JUST ONE is all that it takes.

Fraternally yours,
Doug Head, Chief Rabban

We are having another great year here at Hasan, having fun helping kids. We have accomplished a lot in the first half of the year. We have welcomed in several new nobles at our Spring Ceremonial. We had the Backyard BBQ (which was a big success!). Gun tickets sales are still going strong. We had our Nobility Ball. (That was a great weekend had by all!). This is just to name a few of things we have been busy doing.

We still have a lot of work to do, but with everyone's help it will go smooth and we will have fun doing it. The Pot of Gold, which is our biggest fundraiser, is coming up September 21 and we need everyone's help selling tickets. Hope to see everyone there!

I had a very dear friend ask me one day, "What did I get most out of being a Shriner?" I had to stop and think for a while before answering that question. There are so many great reasons to be a Shriner, but I told him what I enjoyed most is the friendships I have made, all because of being Shriner. I would not have met many of you if not for becoming a Mason and a Shriner. Being a Mason and a Shriner isn't just friendship, it's more like a family. And like with a family, there are going to be disagreements, arguments and hurt feelings at times, and like a family we can work through them in order to achieve the goals we have set for Hasan, as well as for ourselves.

I enjoy visiting other clubs and units. I wish I could go to them more often but I try to get to them all during the year. That is where I have met such good friends. I encourage everyone to go visit Blue lodges and other Shrine clubs and units. You don't have to be on the divan to go visit.

I also encourage everyone to come to Stated Meetings. The friendships and fellowship you get from visiting other clubs and units and, also, at Stated Meetings, in my opinion, can't be found in any other organization.

Fraternally,
Brad Hurst, Assistant Rabban

QUALITY SIGN COMPANY
"There's No Substitute for Quality"

Just returned from Imperial Session in Nashville TN, let me try to share some information with you that is important to Hasan Shrine. We elected a new Imperial Potentate, Jeffrey Sowder, from Midian Shrine. Imperial Recorder, Jim Cain, from Al Menah Shrine, Imperial Outer Guard, David Worel, from Al Aska Shriners. Two (2) members to the Colorado Corporation Board of Trustees, Sir Chuck Pittman, from Yaarab Shrine and, Sir Anthony West, from Zamora Shrine were also elected. All other Imperial Officers moved up. Sir Bobby Simmons P.P., from Al Sihah Shrine was appointed Imperial Chaplain.

The following is a list some of the By Law changes that were voted on. A change "all candidates for Shrine office should be made in writing to the Recorder a month before the election and no nominations can be made from the floor" failed. Next "In a parade, if a properly licensed Noble is not available, individuals who are not Nobles would be permitted to drive a vehicle that requires a special license" this passed. A resolution: "hospitals could be acquired or constructed and existing hospitals could be closed or relocated by the vote of the Members at an annual meeting or by the two-thirds (2/3) vote of the combined bodies consisting of the board of directors, board of governors of the affected hospital or hospitals" this passed. There was a lot of talk and speeches about the Hospitals. The discussions did not affect or involve Hasan Shrine.

Membership is very important to Imperial Sir Jeffrey Sowder. His new program is called "Just One". If each Noble got one new member, what an impact it would make. More information will be coming to us from our Membership Committee. Hasan's membership is at 613, at the present time. Around 100 have not paid there 2019 dues. Look for friends you have not seen recently and encourage to become active.

Shiners International has been mailing out due's notices and dues cards for some time. The first e-mail notice will go out middle of August and the first hard copy dues notice by middle of September. The turn-around is getting better. Make sure you read the announcement about getting on Web Fez website for Shriners International and entering or updating all your information. It is important that you keep up to date.

The trips to take patients to the Shrine Hospitals have increased over the years and our Transportation Fund needs your help to provide these trips for our children. Drivers are needed to take a child and a family member to and from the hospitals. If you can drive the vans, and have time, get in touch with the office. This project is one of the most rewarding opportunities you will ever have. Call the office 229-432-1011 for more information.

The Pot of Gold Hasan Shrine 's largest money maker is September 21, 2019 and it will be here before you know it, so if you are ready to purchase your ticket or check out some to sell please stop by the office. Assistant Rabban, Brad Hurst, needs all your help. Call him to check out tickets and to volunteer to help.

Fraternally,
Wesley Pantone P.P. ,Recorder
