Nobles and Ladies;

I would like to thank everyone for all the support you have shown me as I have moved up the Divan line the last few years. Thank you for having the confidence to elect me as Potentate of Hasan Shrine this year. I am deeply humbled and honored to serve.

Last year was a hard year with the Covid-19 pandemic. There had to be a lot of hard decisions made, but with some long meetings and great leadership from Past Potentate Doug Head, along with the nobility's help, Hasan came out on top. We will need everyone's help again this year.

Covid is still slowing things down as we begin a new year, but as the vaccine becomes available to those that wish to get it, we are hoping that things will return to some kind of normalcy so everyone will feel safer and be able to come to Stated Meetings and attend Shrine clubs and units once again. We had to cancel the Pot of Gold party, but we do have other opportunities for everyone to help raise funds. The gun raffle is in full swing and is going very well, but we could still use some help selling those tickets. You can get some of those tickets in the office or contact Kenny Apaka. This year's Pot of Gold tickets are available, now is a good time to start selling those. We have the Backyard BBQ and the Bass Tournament coming up in the next few months. We need all the help we can get with both of those events. So, please come out and support Hasan. I hope to see everyone at all of these events.

Our main focus, though, needs to be on membership. If everyone at Hasan could get at least 1 new member or a restoration we could double our membership. We are going to continue with what was started last year. If you know someone that has gotten out of the Shrine, for whatever reason, if they want back in all they need to pay is this year's dues. I know it has been hard to get in your lodge with everything going on, but hopefully all that will change shortly. We all need to attend our lodge, not just to get members for the Shrine, but because that is our roots. If there is anything I can do to help you, please feel free to reach out.

Fraternally,

Brad Hurst  
Potentate

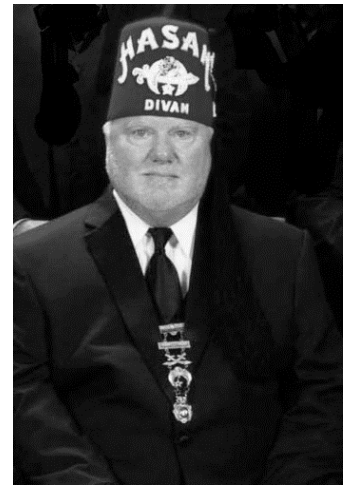

Illustrious Sir Brad Hurst (center)  
Elected and Appointed Divan 2021

I would like to thank you for your vote of confidence by electing me as your Chief Rabban for the year of 2021. I will serve my very best in this office with the honor and dignity that it deserves.

This year we still face the challenges from the ongoing effects of the COVID-19 virus. But, with your help and support with our fundraisers and events, we will have a good and profitable year.

First, we have the 52-week gun raffle. I would like to see every Noble in the Hasan Shrine buy a ticket and also sell a few to your friends. Second, on March 19<sup>th</sup> The Ryan West Band will be playing at the Hasan Shrine Center and March 20<sup>th</sup> we are having the Backyard Cook-Off. We need your help and participation for this event; the flyer inside of this issue of the Fez Sez has all of the information on it. On April 10, 2021, we are having our annual Bass Fishing Tournament at Big Jim's Oyster Bar, located at Reynold's Landing on Lake Seminole; you can contact Craig Smith at (229) 347-9319 for more information or fill out the form inside the magazine and submit it to Hasan office as soon as possible.

Everyone should mark their calendars on September 25, 2021 for the "Pot of Gold" Party and October 23, 2021 for the Hasan Potentate Ball. This is a good time to dress-up, carry your Lady out for an evening of good food, good friends and good times.

The COVID-19 virus in 2020 has kept most Nobles away from attending the stated meeting at the temple/shrine center. I would like to see a larger crowd of Nobles start coming back to the Hasan's Stated Meeting. I understand we all need to be safe. Hasan has been taking significant precautions to insure your safety. We are checking every one that enters the building's temperature, giving out masks if needed, and asking everyone to social distance while standing and while seated.

I would like the thank everyone again for this chance to be your Chief Rabban and to help make a difference in Hasan Shrine and Shriners Hospital for Children.

Terry Dees  
Chief Rabban

I would like to thank everyone for electing me to the position of Oriental Guide. I will do my best to help Hasan Center and to fulfill my obligations. I am looking forward to an exciting year. Thanks again for your support. Please feel free to contact me 229-357-0770.

John Fowler  
Oriental Guide

Thank you to everyone for having confidence in me and reelecting me as your Recorder. This year as in the past Hasan Shrine will have many new opportunities. Our membership is still dropping. We have two (2) membership chairmen they are Dennis Pantone and Tom Greene. We all need to work with them to make membership one of our most important issues.

Hasan currently has 564 members. Let us set a goal to increase our membership. You know where we get our new members, it is from your Blue Lodge look around see if you can find someone that wants to be a Shriner and sign him up also on that same note if you know someone that was a Shriner ask him what happened try to fix it and get him reinstated. Brad Hurst, Potentate, has made a special deal where a person that was a Shriner can get back in for only \$150.00 and a current Blue Lodge card. See if that will help get old members back.

Hasan Shrine has stopped taking patients to our hospitals. Our membership is low and we cannot find enough qualified Nobles to drive the vans. As in the past we will pay mileage, hotel rooms and food for those going to our hospitals. We will be selling the hospital vans before the insurance comes due. We are lucky to have Kenny Apaka, High Priest and Prophet, to price the vans so the hospital will get the correct value of the vans. And like always we will still collect money for our transportation fund as we will still have the expense of making the trips to the hospitals. We did not do this on our own, several Shrine Centers have stopped taking the trips because of not being able to get enough drivers.

Potentate Brad Hurst has some new and some old events and money-making plans, we need your help to make it all work for him in 2021. This will be a very exciting year. Let us all work together and keep the fun in Shrine

Wesley Pantone P.P.  
Recorder

\*Decease

During the recent past we have experienced some rough times with schedule changes due to the pandemic, sickness, hospitalizations and even deaths. The Great Architect of the Universe reminds us to seek his face and pray. We tell

others we will pray for them through social media, at meetings etc. But words are mere expressions of thought, believing is what really counts. Yes, prayer is the key to heaven, but faith unlocks the door. So, as we embrace what lies ahead, let's embrace those situations with continual prayer. And have faith that our God is with us and working for the best outcome.

Your Chaplain,  
John L. Jacobs

## Albany Ladies of Nasah

Meetings 1st Tuesday  
at 6:30 p.m.

All Ladies of Shriners  
are invited to Attend

Christine Fowler, President  
229-869-6744

Bryce after his 1<sup>st</sup> surgery 2007

he plans on becoming a Shriner when he is old enough to get started on his journey.

Blessings and prayers for each and every Shriner and their family that has made this possible!

Bryce and the Mitchell Family

## Bryce Mitchell who is being treated at Shriners Hospitals for Children Tampa

For 13 years Shriners has been a savior for our family. My son Bryce was born in 2007 with a club foot. From birth until now he has been given the best care anyone could ask for and not once has our family had to stress over medical bills.

In 2019 we moved from Florida to Georgia leaving me worrying about upcoming appointments. The first three trips I paid for unknowingly that the local Shriner Center in Albany, GA could help. I had little to no money and he had a surgery scheduled in October 2020. I contacted the Hasan Temple and spoke with Lori and all I can say is WoW! Three trips in three months and hotel room arrangements, gas reimbursement and food have been taken care of. We are so grateful for everything the hospital and the Shriners have done for us. Bryce has told me

Bryce after his surgery in October 2020 with follow ups every six weeks since then.
