Nobles and Ladies;

I am overwhelmed at the honor which you have bestowed upon me to serve as your Potentate for 2020. I can assure you that I will work diligently to represent you and the interests of Hasan. The motto for 2020 is "Focusing on the Future" and the only way that we can do so is to make sure that we have a promising future by growing our numbers. We are reaching a point of critical need for membership that could affect the life of this great fraternal organization.

We as Shriners are masons first. But, as is true for many new members of our mother organization, sometimes attendance drops away from lodge meetings for a multitude of reasons (a lack of mentorship being chief among these reasons). For Shriners, it is imperative that we remain active participants in our lodges and attend other lodges in our area. This is the only place where we have the ability to pick up ready-made Shriner masons. Yes, we can and should attempt to draw friends and neighbors into the masonic bodies, but it is vital that we attend blue lodges, wearing a shrine shirt, discussing the great opportunities for involvement that Hasan offers, while always having petitions in hand.

We as a divan cannot do this alone. It requires the efforts of each and every member of Hasan to focus on membership. I know that you love this fraternity as much as I do, so be active in club and temple events. Support Hasan by working to bring in new members at every opportunity and represent us well in our Masonic community.

Additionally, it is my goal to improve communications with the Hasan body. I will be sending out a monthly email to the secretaries and officers of all of our shrine clubs and units. This email should be read to the members present as communications during the secretary's report. We are also requesting from each club and unit a complete and up-to-date membership sheet that includes home addresses, email addresses, and cell phone numbers. We cannot get the word out of events and happenings to everyone without having correct contact information. Therefore, be sure to update your personal information with the office at Hasan if your email address, home address, or cell phone number changes. Last but not least, we will also be sending out a quarterly mailing that will present all of the opportunities for involvement to our members. We are aware that we aren't reaching everyone with information from Hasan and we want to do a better job. We ask in return that you respond and be active in supporting this wonderful shrine family.

As your Potentate, I believe in Hasan and I believe in our member's abilities. I thank you for all that you do and I enjoy working right alongside you to improve the lives of children. By *Focusing on the Future*, we can overcome any challenges that we face and I know that I can count on you, my shrine brothers, to see Hasan become greater than ever before.

Fraternally,

Douglas "Doug" Head
Potentate

First of all, I would like to thank everyone for continuing to have the confidence in me to help lead Hasan and voting for me as your Chief Rabban this year. I look forward to serving you the best I can. Please call me anytime if there is anything I can do to help you.

One of our main goals this year is Driving Membership. We need everyone to help with membership. Hasan cannot survive without it. If everyone would get JUST ONE new member, we would DOUBLE our membership. The Potentate has put a brand new incentive in place to get people to help grow our membership. I encourage everyone to stay active in your blue lodges. We can grow membership in both the lodge and shrine by just being involved.

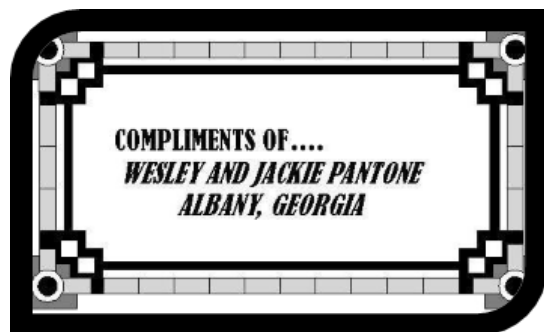

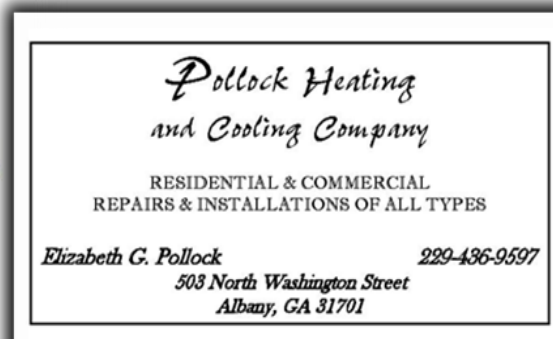

I'm reminded of a little note I have on my bulletin board at work: "This is a story about 4 people named Everybody, Somebody, Anybody and Nobody. There was an important job and Everybody thought Somebody would do it. Anybody could have done it, but Nobody did. Somebody got angry about this because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what anybody could have done!"

The responsibility belongs to each and every one of us at Hasan Shrine Center to keep our fraternal family growing!

We had our East/West Shrine Bowl Game watch party on Saturday, Jan. 18th. It was a great time with lots of wonderful fellowship. We had a lot of families there. Lots of kids who seemed to have a great time in the bouncy house and playing games. It was a good opportunity for people that aren't Shrine – Masons to see what we are all about. I was able to give out two new petitions that day. That was just one way to show that when we are out in the public we should be promoting both the lodge and the shrine.

Thank you again for electing me as your Chief Rabban. I hope to see everyone this year at all the Hasan functions and or shrine club and unit visits.

Fraternally,
Brad Hurst
Chief Rabban

It is an honor to be elected your Assistant Rabban, and I am looking forward to this year.

We all understand that our membership is at an all-time low, but each and every one of us can help this, by first start coming out and help support Hasan's fundraisers and events this year. This does not only help Hasan financially but, it brings the nobles together as a family. And ever ones knows when you bring a group of friends and/or family together it is a lot of fun.

This year we have a lot of events and fundraisers scheduled for Hasan and following I have listed a few of them. To get a complete list of events for 2020 go on Hasan's web site (hasanshrine.org).

We have Hospital Days in Greenville, SC. on March 13th & 14th. If you have never been to a Shriners Hospitals for Children and seen the children that we help you need to try and make this trip, it will change the way you view life. Come join us on the bus for an awesome trip that you will never forget.

On March 20th and 21st we are having our Annul BBQ cook -off, car show and a party with a live band at the Hasan Temple.

The Spring Ceremonial and Potentate's Ball are the weekend of April 3rd and 4th. Every noble and his lady need to come and support the new Nobles, temple and our Potentate.

The Lakedogs Rib Cook Off is Saturday, April 25, 2020 in Lake Park, Georgia. It will be the third Rib Cook-Off at Lakedogs and has the potential to become a big fundraiser for Hasan. I would like to see a large turnout for this.

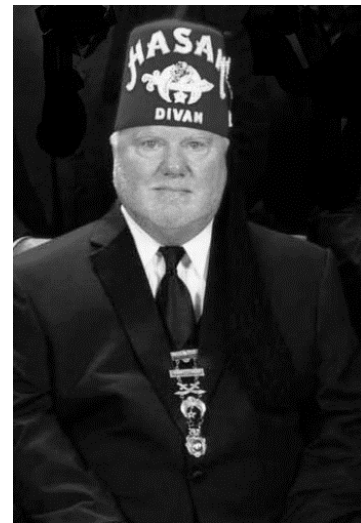

On October 2nd & 3rd we will have our Fall Ceremonial in Valdosta, GA and on Saturday September 3, 2020 we will be participating in the Hahira Honey Bee Parade. Last year was the first ceremonial in Valdosta, and it turned out to be an awesome ceremonial with a large turnout of Shriners from Georgia, Florida and Alabama. The Hahira Honey Bee Parade is one of the larger parades that Hasan participates in. But it also has hundreds of Shriners from all over Georgia, Florida and Alabama coming up to ride in the parade in all types of Shriner Parade cars and/or Vehicles.

Our biggest fundraiser of the year is the Pot of Gold on September 26, 2020. We only have 630 ticket to sale. This is an event that you can dress up and bring your lady and a group of friends for an evening out, of fun, food and a chance to win \$20,000.

The last fundraiser that I will mention is the Hasan Sportsman's 52 week gun raffle, which is a very good fundraiser for Hasan. These gun tickets are a very easy ticket to sale. All you have to do is keep one or two tickets in your pocket all the time and when you're eating or talking to anyone just mention them and they will sell themselves. It would be great to see all of the gun tickets sold this year.

In closing, I'd like to say thank you for electing me Assistant Rabban and that I will work hard with assisting the Potentate (Doug Head) and the Divan to make to make 2020 a good and prosperous year for HASAN.

Terry Dees
Assistant Rabban

Special orders are never a problem

I would like to thank everyone for having the confidence in me and electing me to the position of Oriental Guide. I will do my very best to help Hasan Temple to grow and prosper through 2020.

This year we have a great opportunity to sell out all of our Hasan Temple Sportsman Gun Raffle tickets. Before the end of January we are already approaching well over 600 tickets sold.

I want to thank all of the Nobles that have already checked out and sold tickets. I would also like to challenge any Noble that hasn't check out or sold a ticket to do so. We need everyone's help to accomplish this.

Thanks again for your help and support. If there is anything that I can help you with please feel free to contact me 229-886-5287.

Kenny Apaka, Jr
Oriental Guide

Thank you to everyone for having confidence in me and re-electing me as your Recorder. This year Illustrious Sir, Doug Head, with your Divan has hit the ground running. Starting in November, before the installation; then Chief Rabban, Doug Head, had Hasan's Key Man Meeting. The Grand Master of Georgia attended and he spoke about his membership program. This along should tell us it will be an exciting year.

January, after the installation of officers, we had the East-West Shrine Football Game on the big screen television in the Activates Building. About Fifty (50) Shriners, family and friends were in attendance. The Moultrie Car Show was held with several Nobles were working. Our Hospital Days at Tampa Clinic for Children has changed a lot. We will get more information to you when we get back from Tampa. Watch for the news. Man, this has been a fast January and February.

Membership is our most important goal at Hasan. We did receive a Silver award for 2019, and it would nice if we increased our membership and received an award this year. If you know someone that would make a good Shriner sign him up. Everyone knows where we get new members, the Blue Lodge. Do attend your Lodge and invite them to our events. You can also sign up an old member that has gotten out for one reason or the other. Hasan needs your help. Membership is down to 610 members. Speaking on membership, Illustrious Sir, Doug Head, has started a new program if you are the top Line signer and mentor to only two (2) new members in 2020, you will get your 2021 dues paid my Hasan.

Illustrious Sir, Doug Head, has a lot of money making activates starting with the 2020 Hasan Sportsman Gun Raffle, The Hasan Backyard Bar B Que, A Bass Tournament, A Rib Cook-off in Lake Park, GA. We will be mailing out the Member to Member tickets before long. Look for your tickets and mail them back to Hasan along with your check. On September 26, 2020, we will have our Pot of Gold Party tickets ready and in the office. Call Lori and she will mail you some tickets. Do all you can to help Hasan get behind all program managers and make it all work.

I know you have seen all the construction at Hasan from the storm damages and the updating the Ladies Restroom. Keep looking, we have plans to change the lights in the Ballroom to L.E.D. bulbs and updating the Men's Restroom. Your support and help are needed with these projects.

Shiners International has been mailing out due's notices and dues cards for some time. The turn-around is getting better. Make sure you read the announcement about getting on Web Fez website for Shriners International and entering or updating all your information. It is important that you keep up your information up to date.

The trips to take patients to the Shrine Hospitals have increased over the years and our Transportation Fund needs your help to provide these trips for our children. Drivers are also needed to take a child and a family member to and from the hospitals. If you can drive the vans, and have time, get in touch with the office. This project is one of the most rewarding opportunities you will ever have. Call the office 229-432-1011 for more information.

Fraternally,
Wesley Pantone P.P., Recorder

Our Masonic teachings tell us before under taking a project we should "Ask the blessings of Deity". Many times we don't follow this teaching and the results are not as positive as we wish. This call is not a request for the projects approval, but a request for guidance as we proceed toward the goal. I pray that God's will and

guidance will be with our Divan this year. And likewise, that our members will rally behind the projects that are being laid out for Hasan Shrine.

Secondly, through the circle of life, events happen to all of us and at times we seek spiritual guidance. Many of you are church members and have a pastor or other spiritual guide as a friend, but there may be a few of you that do not. I too am a sinner saved by the grace of God and fall short of his glory on a day by day bases but I do try to listen to God's guidance. When I can be a mentor to you or help you any way, please feel free to contact me, 229-563-8049, our conversations will always be confidential.

From patient to employee, Shriners Hospitals for Children is continually changing lives

By Sydney Sill

Behind every scar is an untold story of survival, and I'd like to share mine with you.

At age 7, my dance teacher noticed my leotard wasn't sitting quite right on my body. That observation led to a diagnosis that would change my life: scoliosis.

After four years working to manage my curve with bracing, I received the news I had always dreaded. My curve had progressed from 36 degrees to 54 in just six months – I would need a spinal fusion.

Two days after my 12th birthday, I arrived for my surgery at Shriners Hospitals for Children — Greenville and was told there was a high probability that I may never dance again.

With a cadaver bone, my spine was fused together using titanium rods for stabilization, lessening my

curvature to about 28 degrees. The year to follow would consist of no physical activity, while I patiently waited for the fusion to complete.

After that year, I was determined to dance again. The days following my return to the studio were frustrating, as I learned to function with a “new back.” But after years of persistence, I was able to find my own way to dance again.

Gaining great optimism through my experience, I wanted to encourage others. I started volunteering at the hospital in high school as a way to thank them for the care on which I couldn't put a price tag. During that time, I also found my passion for working with children with physical disabilities.

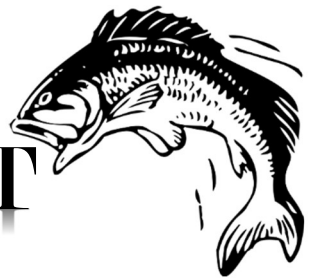

I attended Clemson University, where I graduated with a degree in communications and a minor in non-profit leadership. I was determined to use my degree to impact others. I was told if “you have a job you are passionate about, you will never work a day in your life.” I *knew* I wanted a career working for the Greenville Shriners Hospital.

Today, I am the new marketing and communications specialist. My journey has come full circle, and I am incredibly blessed for the countless ways this hospital has changed my life. At times, we wonder why things happen the way they do. I am proof that a negative situation can turn into a positive stepping stone that can change the trajectory of your life.

I am thankful for my scoliosis, and the lives that touched my heart to place me here today. Without the Greenville Shriners Hospital, I would not be the woman I am today. I am excited for this journey as an employee and the opportunity to promote an organization driven to provide the best quality care for patients.

HASAN SHRINERS BASS TOURNAMENT

April 18, 2020

LAKE SEMINOLE

Tournament runs from Safe light until 3p.m.
